MR. CHAS. A. McNURLIN—Superintendent

Superintendent's Message

Society might well cease to think of schools as merely training centers which are preparing individuals for future life only. It might be better to recognize the school's role in education as a *process* by which society renews and perpetuates itself as a society. If this process is to be effective in the Selah schools, it must be an integral part of the community, and in turn, the community must be a part of the schools. Each renews and invigorates the other.

Success will result if we anticipate the future together. Mere re-enactment of the past—singularly or together—can only result in failure.

Chas. A. McNurlin

Board of Education

Mr. Merlin Belcher, Mr. Ted Patrick, Mrs. Margaret Hale, Clerk of the Board, Mr. Frank Kolb, Mr. Horace Smith, Chairman. (Not pictured: Mr. Jess Mathis.)

Principal's Message

You, the class of 1959, are about to enter into a world era of cultural, scientific, and expansion unparalleled in history. The demands placed on you by the complex society of which you are to become full-fledged members far exceed any of the past. We are confident the 12 years of public education just completed have helped to develop some of the attitudes, skills, and habits that will assist you in becoming self-sufficient citizens of this modern world.

It is our hope that many of you have had your intellectual curiosity stimulated to the point where you will now wish to gain a mastery of some areas through advanced study, research, and exploration. The fate of our civilization may very well depend on the independent thinking of you who continue to seek knowledge.

Honors

Honor Society

"Will I be next?" was the question in the minds of many hopeful students in assembly as they tensely waited for the announcement of the New Honor Society members. The assembly stressed scholarship, character, leadership, and service, the four precepts of the society.

The privileged ones chosen can be proud of their election into the society. Norman Drake served as president assisted by vice president Kim Carlson. Other officers were: Secretary, Dianne Burrill and treasurer, Ruth Squires. Mr. Stegmeier was the faculty sponsor.

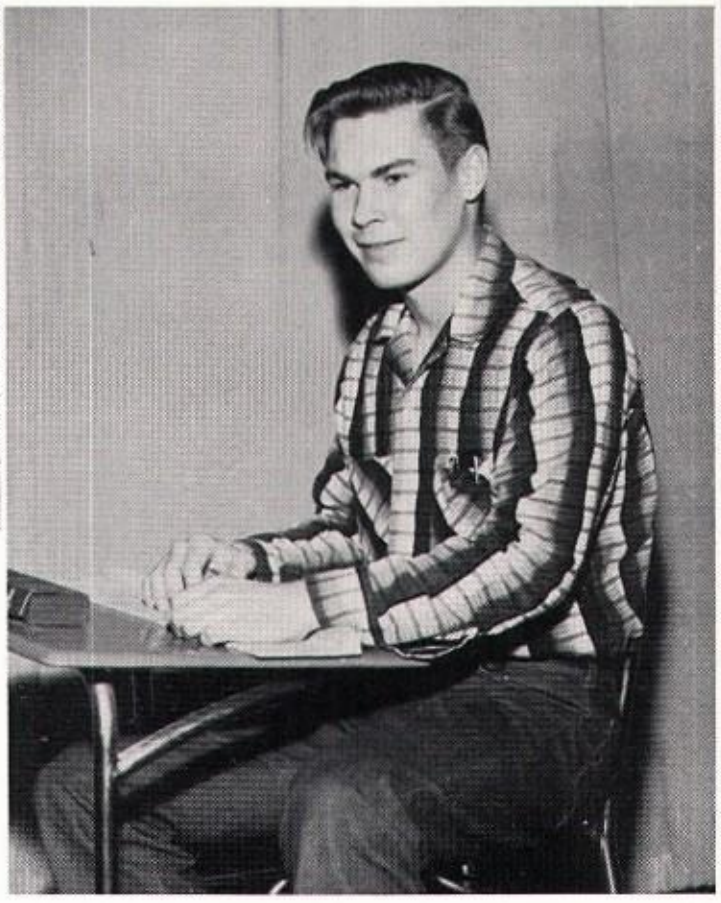
Rex Eads and Merritt Stegmeier, Seniors, represented Selah High School at Boys' State in the summer of 1958.

We regret that an early deadline does not permit us to mention the many others that will receive honors before the end of the school year.



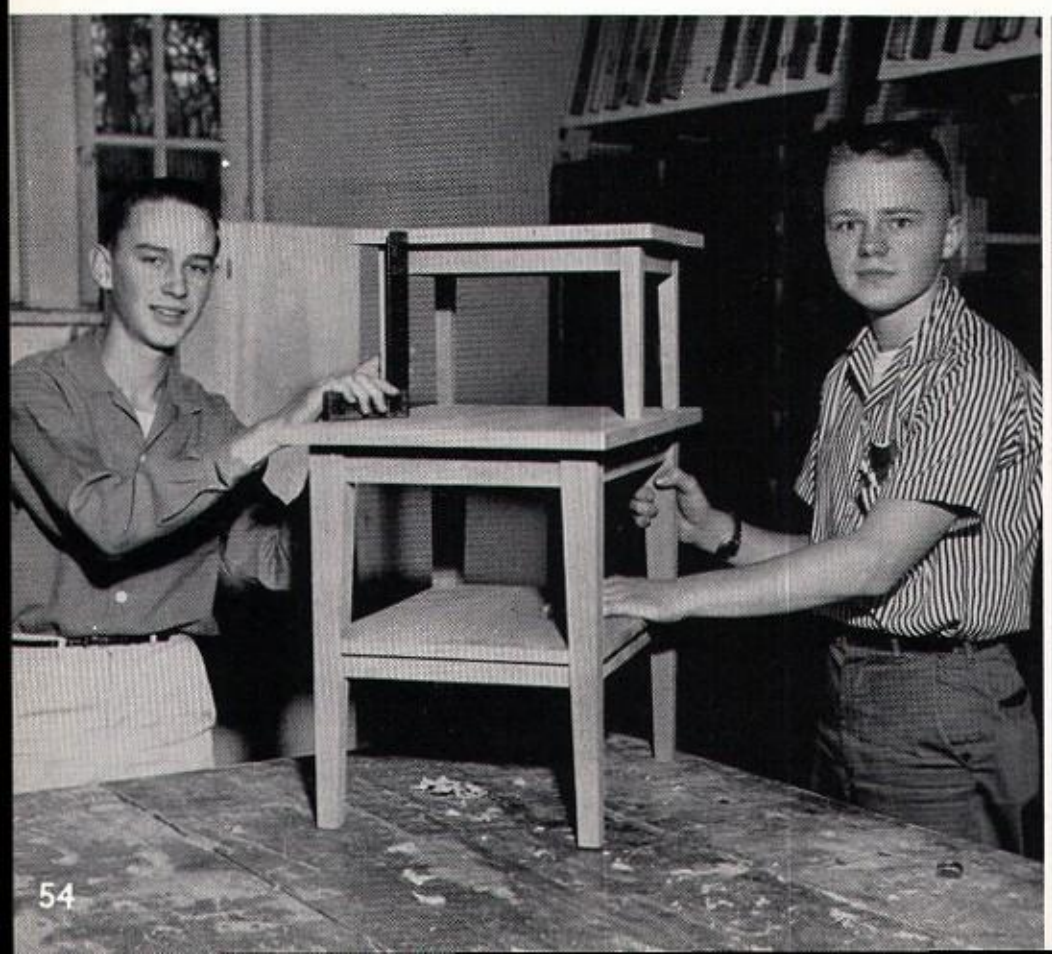
Jack Shane, Senior, is well known for his skill in hand lettering.

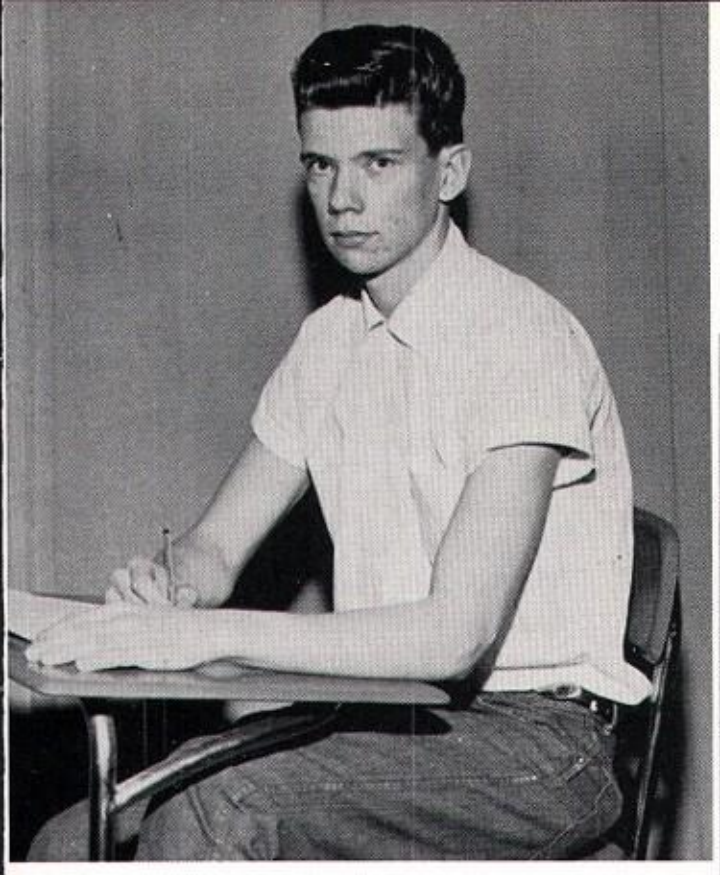
Janet Cooley, Senior, represented Selah High School in the All-Northwest Band. Duane French, a classmate, was recommended for the honor, but was not chosen.

Recommended by the Faculty of Selah High

Marlund Hale, Junior, and Jon Fager, Sophomore have demonstrated exceptional skill in furniture construction.

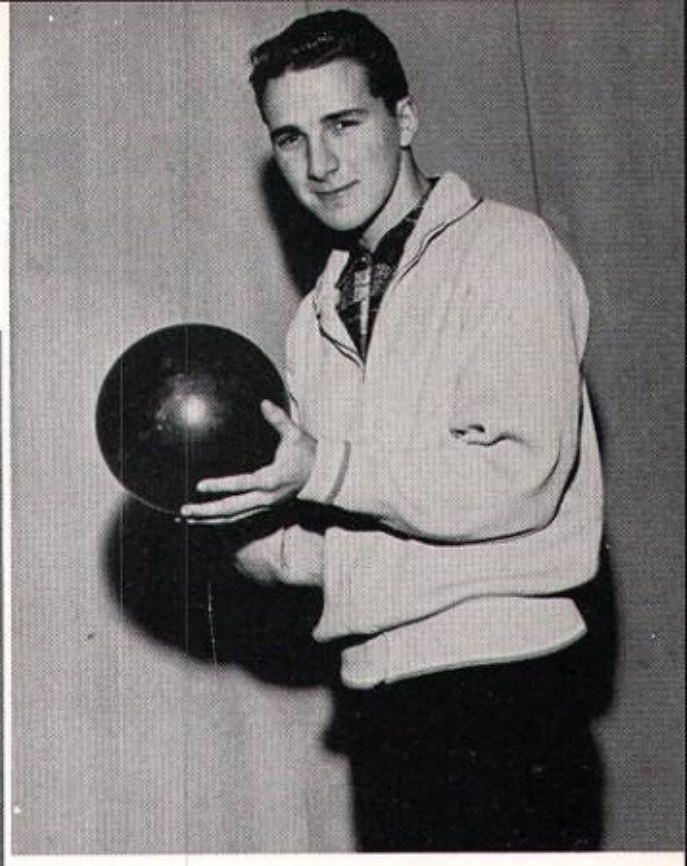
John Speer received the Sophomore inspirational award in football. A similar award, open to Juniors and Seniors, went to Senior Wendell Belcher.





Ed Thome received the highest rating obtained by a Selah High School senior on the National Merit Scholarship Test.

Mary Helen Farley, Junior, was the recipient of a $400 scholarship at the 4-H Congress held in Chicago.

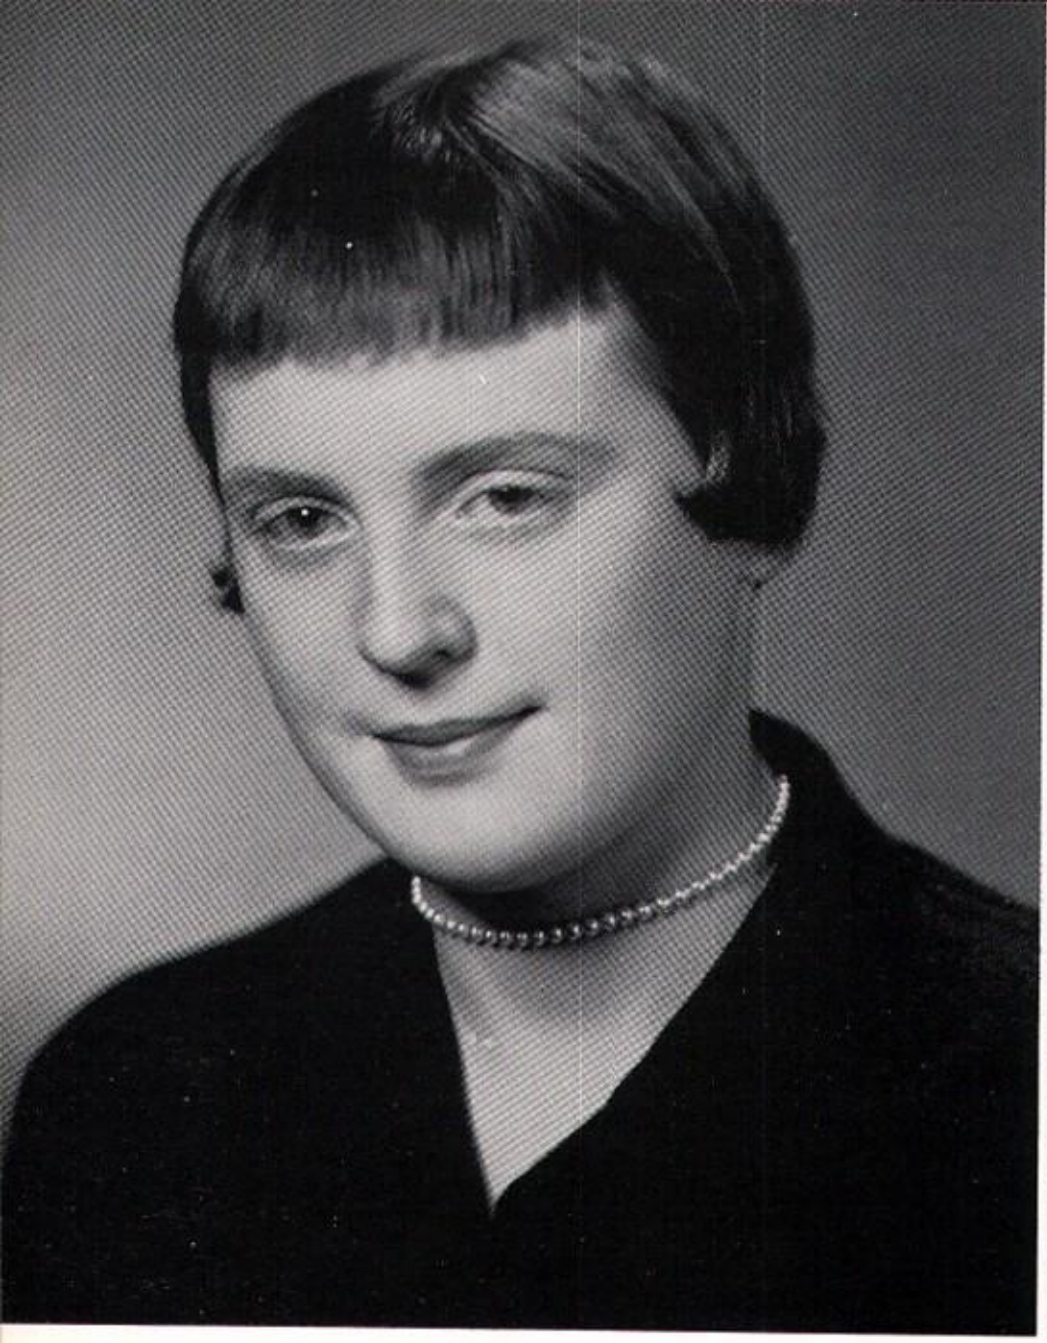


Roger Hayes, Senior, could become the first Yakima Junior American Bowling Congress bowler in the history of tenpins to wind up a season with a 180 average. His present average is 179.

Congratulations for Outstanding Achievement

John Calvert, Carl Dozier, and Wendell Belcher lettered in three sports between March 1, 1958 and March 1, 1959.

Oddie Stinnett, Senior, represented Selah High on the Bon Marche fashion board. A classmate, Sammie Myron, was one of three selected from the state of Washington for McCall's Teen fashion board.



Miss Janet Cooley was named valedictorian of the class of 1959. She attained an outstanding grade point of 3.939. Janet has also been outstanding in music and active in school affairs.

Miss Sydney Phelps, salutatorian had a grade point of 3.878. This year she has been editor of the "Calyx," an officer in the girls' club, and active in many other school organization.

Gridiron Reviews

The Varsity football team finished tenth in a field of eleven in the Northern Division Conference standing. A mediocre season started off fairly well when the team looked especially good by holding Wapato to a low score, grinding out a tie with Toppenish in the second game, followed by a victory over Highland. During the remainder of the season our inexperienced team failed to score a win.

The 1958 season, though unsuccessful in terms of games won, should prove valuable as it provided many underclassmen with much needed game experience.

Basketball

Another year of cage history has gone into the records. The Vikings with an 8-10 record finished in fifth place in the Northern Division Yakima Class A Conference. One more victory would have moved us up to fourth place and a spot in the tournament held in the new Selah gym. Consecutive losses to Cle Elum, Highland, and Marquette in the final two weeks of the season proved disastrous. However, it wasn't until the final game with the Squires that the vikings dropped out of tourney consideration.

Wendell Belcher, outstanding senior on the squad, will be difficult to replace due to his scoring ability. Returning lettermen will form the nucleus for a strong entry next year.

The "B" squad with a record of 16 wins and 3 losses, and the Frosh with a similar record of 14-3 enjoyed an outstanding season. Many recruits for next year's varsity will be drawn from these two squads.
